

(Team Activity 2)

Create Problem Definition and Make the HMW~? question

※ Create Problem Definition and HMW Question sentences based on the data selected in survey results.

※ Create **8 insight sentences, HMW sentences.**

※ I will give the time about 40 min.

Team Name	Phoenix
Team Leader (student ID)	12214760
Team Member(student ID)	12225268, 12225273, 12214757, 12214756
Date	2023. 10 . 18 .
Projects Goals	To improve the attendance taking system of the university
Problem Definition	
Who (User)	Inha University Students and Administration
Needs to User	Needs a way to improve attendance system
Insight	<p>Because:</p> <ul style="list-style-type: none">▪ It takes considerable amount of class time to take the attendance▪ The current attendance system is prone to students' cheating▪ Late-comers distract the ongoing class▪ Raise the awareness of being in time▪ It may have a network connection problem▪ Professors have the responsibility to take the attendance▪ If the attendance is taken manually with paper, storing and carrying them around may be inconvenient▪ Sometimes, the system could be perplexing
HMW~ (How might we~?)	<ul style="list-style-type: none">▪ How might we reduce the time to take the attendance?▪ How might we avoid students' cheating?▪ How might we improve the concentration of the class?▪ How might we encourage students to come to the class in time?▪ How might we avoid network connection issue while recording attendance?▪ How might we help professors focus on important tasks?▪ How might we sophisticate the manipulation of the recorded attendance information?▪ How might we simplify the system?
